

The 3rd International Symposium on ***Tuberculosis and Mycobacteria: an Interdisciplinary Approach (ISTM2026)***

1 - 3 February 2026 in Bangkok, Thailand

Join us and leading mycobacteria researchers in the heart of Bangkok, a vibrant city that welcomes all with its rich culture and global connectivity. This international symposium offers a unique opportunity to share your latest findings, gain cutting-edge insights from across the field, and network with world-class experts. Engage in dynamic dialogue that fosters interdisciplinary exchange and global collaboration, all aimed at advancing research and working together towards the ultimate goal of controlling mycobacterial diseases.

Keynote speaker:

Prof. Taane Clark

London School of Hygiene and
Tropical Medicine, UK

Dr. Qian Gao

Shanghai Medical College of
Fudan University, China

Prof. Katsushi Tokunaga

National Center for
Global Medicine, Tokyo

Dr. Urvashi Singh

All India Institute of Medical
Sciences, Delhi and Head of
National TB program, India

Co-Chaired by:

Prof. Igor Mokrousov

Saint Petersburg Pasteur
Institute, RU

Prof. Prasit Palittapongarnpim

Center for Microbial Genomics,
Mahidol University, TH

More Information

Abstract submission and registration
open June 2025.

Confirmed speakers:

•Assoc. Prof. Dr. Pakorn Aiewsakun•

Center for Microbial Genomics, Mahidol University, TH

•Dr. Richard Anthony•

National Institute for Public Health and the Environment, NL

•Prof. Virasakdi Chongsuvivatwong•

Faculty of Medicine, Prince of Songkla University, TH

•Prof. Kiatchai Faksri•

Faculty of Medicine, Khonkaen University, TH

•Dr. Tomasz Jagielski•

University of Warsaw, PL

•Dr. Surakameth Mahasirimongkol•

Ministry of Public Health, TH

•Dr. Oleg Ogarkov•

Scientific Center for Family Health and
Human Reproduction Problems, Irkutsk, RU

• Assoc. Prof. Nawamin Pinpathomrat•

Faculty of Medicine, Prince of Songkla University, TH

•Prof. Marisa Ponpuak•

Faculty of Science, Mahidol University, TH

•Dr. Egor Shitikov•

Lopukhin Federal Research and Clinical Center
of Physical-Chemical Medicine, Moscow, RU

•Prof. Alexander Apt•

Central Tuberculosis Research Institute, Moscow, RU

•Prof. Christophe Sola•

Université Paris-Saclay, Saint-Aubin, FR

•Dr. Danila Zimenkov•

Engelhardt Institute of Molecular Biology,
Russian Academy of Sciences, Moscow, RU

CONFERENCE THEME

- Genomics
- Translational public health
- Molecular epidemiology
- Host-pathogen interaction
- Vaccine & Therapeutics
- Non-tuberculous bacteria
